## Tracy Baker & Co. Waltham / Appleton Tracy & Co. Waltham, Mass

S/N	Additional Notes
5012	Signature is Tracy Baker & Co; pillar plate = 45.88 mm; gold hands; T.B.C <sup>o</sup> . #4461 coin silver hunting case; engraving on barrel bridge faces to center of watch as on DH&D movements; index is same as on DH&D; note however, wind guard cup is brass (replacement?); note restorations in [r61 p110]; picture in [r81 p48] does not have wind guard cup nor hairspring stud, and balance is different. Author's observations at Sotheby's 10/09/04: wind guard cup does not look original; probably #5812 underside top plate (could be 5012 but doubt it - difficult to see looking between plates), #12 on pillar plate; confirm 15J, but cannot be certain center pillar is jeweled for 16thJ; eagle hallmark (inside case back only) faces its left, initials only on inside front cover with number, number on inside cuvette. [r62] (Sales Records T.B.&Co.; July 31, '57) lists this watch 16J (center jeweled).
5026	steel wind guard cup on winding square; gold hands; 18K gold G&S HC 3026
5042	number 5842 stamped on underside of top plate; all other parts have the sub-assembly number 42; #2 under hour, minute wheels and barrel cover; steel wind guard cup on winding square; oblong ratchet bridge with 1st series comma click; 'U'-shape potance; the escape wheel and lever have been replaced (probably not even Waltham parts).
5084	number 5884 stamped on underside of top plate
5158	number 5958 stamped on underside of top plate
5190	number 5990 stamped on underside of top plate; other parts have the sub-assembly number 90; steel wind guard cup on winding square; oblong ratchet bridge with 1st series comma click; 'U'-shape potance; coin silver AT&Co HC #4624 with eagle hallmark inside back cover facing its left
5221	number 5921 stamped on underside of top plate; silver HC hallmarked MB #822
