

## **Chapter Charter Bus Trip to the 65<sup>th</sup> NAWCC National Meeting** **June 16-20, York PA**

**For official NAWCC meeting and lodging details, go to:  
<http://www.nawcc.org/index.php/component/content/article/504>**

If we have enough confirmed passenger reservations to make an economically-practical trip to the National meeting, we propose to charter a bus to make the trip to York, PA. The final bus transportation cost (bus only) is dependent on the total number of confirmed passengers and the specific return dates (TBD). For example, a round trip, full bus of 40 passengers for 3 days is ~\$105, and for 4 days is ~\$131. As another example, a partial bus of 25 passengers for 3 days is ~\$168, and for 4 days is ~\$209.

**We need to get as many commitments as soon as possible. If we can't confirm at least 25 seat reservations within approximately three weeks of the sending of this notice (your response required by no later than April 20<sup>th</sup>), we would probably need to cancel the bus reservation.**

A \$150 seat reservation is due 3 weeks after your reservation (see contact information, below). Depending on the final number of seat reservations are that received, as well as duration of the trip (3 days versus 4 days), a full refund will be made or some additional money will be required.

Concerning lodging at the National meeting, a block of rooms at one of the hotels mentioned on the convention website, above, would be arranged. This would allow us to take advantage of shuttle service, room rates and availability. Also, we would want everyone at the same hotel to simplify logistics.

Tentative travel schedule:

1. The bus (motor coach) would depart Thursday, June 17<sup>th</sup> at 9:00 AM, from the Green Line Riverside MBTA trolley station (long-term parking is available), Newton, Rte. 128, Exit 22 ("Grove Street"). Lunch stop, arrive hotel in York at about 5 PM, and hotel check-in. Group dinner at Old Country Buffet, York PA (transport via bus).
2. Bus would then take us to the Convention reception Thursday evening, 6:30 PM, and return us to the hotel. Local shuttle service available to and from convention hall.
3. On day of return (Saturday or Sunday), the group checks out of hotel in the morning, boards bus (possible side trip to NAWCC museum, free time till 1:00 PM, then board bus). Return to Newton arriving about 9:30 PM.
